Pastor Lisa A. Harrell

Pastor Lisa Harrell is fueled by a passion and desire to see God glorified. She has been dedicated to the advancement of the Kingdom for over 25 years, touching lives across the world through her preaching, teaching, and music ministries.

Lisa Harrell is a wife, mother, pastor, teacher, and worshipper. Affectionately known as Team Harrell, Lisa and her husband Elijah Harrell III have been happily married for 14 years. They have an untiring drive to be ministry leaders that love, grow, and serve in all aspects of their lives. They are members of Revival Tabernacle church in Highland Park (Detroit), MI where Lisa serves as the Worship & Services Pastor and Elijah as the Executive Pastor. In addition to this, Team Harrell provides powerful mentorship to many young adults and couples through fellowship, in relationship, and by example.

Inspired from Pastor Lisa's heart to see people awakened to the truth of who they are in Christ, LAH Ministries was established in 2008. Since its inception, LAH Ministries has engaged the community through preaching, mentoring, professional coaching, worship training, pastoral leadership development, business operational consulting, and multimodal outreach events. LAH has continued to be relevant throughout the pandemic with the launch and growth of a powerful online ministry that includes weekly bible studies and interactive community prayer. Pastor Lisa strives to empower all she reaches with the desire to love Jesus more and to serve Him better. Her ultimate goal is to see Jesus glorified in her life, her family, her relationships, her ministry and this world.

At LAH, we believe that the kingdom has no boundaries and there is always room for more. Every week we are joined online by in our cities in SE Michigan, multiple states across our nation, and from 7 countries around the world who come to study the bible actively pray together.

As a multicultural, multi-generational prayer family, we believe that no one should be left behind. We are leaders and pastors, new to the faith and some who haven't meant Jesus, yet all growing together. We believe that as we come together to pray, we will all grow to know God more, praise Him louder, serve Him better.

Worship DNA Testimonials

ALEX JOHNSON

"There is nothing like this!! Worship DNA has changed my worship, my faith, and my love for God. I have learned how to strengthen and grow my voice through daily vocal exercises. Through books and video studies, I have learned how to reflect on my past experiences and recognize where God was helping me and speaking to me. And most of all, my love for my God and enjoyment of my time with Him is the best it's ever been. Worship DNA helped me to love my testimony and to be grateful for present and previous experiences. So many components play into the way a person worships, and Worship DNA showcases these perfectly while teaching you and growing you in these components. I would recommend this course to all ages!"

RICH NICKERSON

"Worship DNA was absolutely thrilling! Lisa and her team did a phenomenal job creating a very inclusive and thorough program that truly emphasized the essentials to a worship lifestyle. Undergirded with infallible scripture and transformative curriculum, the Worship DNA program expanded my perspective concerning the necessity of worship, and worship done well in ministry and lifestyle expression! "

ALEXANDRA HICKS

Doing Worship DNA with Lisa has been the best decision I've made this year! I knew I needed more tools to be better, but had no idea what the tools were and Lisa has helped me to create a foundation to build on. Her patience and encouragement through the process has given me more confidence to grow in my abilities and really absorb what she has to say. The way that she breaks it down makes it easy to understand and creates excitement! I've been able to see my personal growth AND enjoy the process. So thankful for her and her gifts, knowledge and well thought out program. Looking forward to see how far I can grow with her while doing Worship DNA!

I am so grateful to have Worship DNA as my forever coach and am excited about my growth has a person, as a worship leader, and the growth of the ministry!"

DESHAUN COLE

"Worship DNA sets the standard for true worship in every aspect. Pastor Lisa, and Pastor Eli are two extraordinary, dynamic worshippers and leaders. Worship is so much more than singing or playing an instrument, and this is what Pastor Lisa and her team makes known. Before worship DNA, I never understood the many tactics that went into being a true worshipper, but now I understand that worship has so many components that go along with being an effective and Holy Spirit driven worshipper. Pastor Lisa made it clear to my team that, worship starts with the word, and from that moment forward, they became better than they ever were. They are living examples of what they teach. Worship isn't what you do, but it's who you are. "

"My heart is steadfast, O God! I will sing
and make melody with all my being!"
